Changes relating to the Scheme

Apart from the changes described below, no other material changes have occurred.

Changes to the governing documents

The Trust Deed was amended on 17 March 2021:

- to reflect the repeal of the Trustee Act 1956 and changes brought about under the Trusts Act 2019; and
- to remove the restriction of ring-fencing of assets and liabilities of each fund within the Scheme. This change enables the Manager to make the assets of a fund available to meet the liabilities of another fund within the Scheme, but only if, and to the extent that assets in that other fund are insufficient to meet its liabilities. The Manager can only do this having first consulted with the Supervisor.

Changes to the terms of the offer

The Product Disclosure Statement (**PDS**), Other Material Information document (**OMI**) and the Statement of Investment policy and objectives (**SIPO**) were amended on 12 February 2021 to reflect the closure of two of the Funds.

The PDS and OMI were amended on 17 March 2021 to reflect the Trusts Act 2019 and allow contagion between Funds subject to approval by the Supervisor.

For further information please see the OMI on the offer register and the SIPO on the scheme register at **disclose-register.companiesoffice.govt.nz/** (search for 'Garrison Bridge Superannuation Scheme').
