#### What are the risks of investing?

##### Risk indicator for the NZD International Equities Fund

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the Fund's assets goes up and down. A higher risk generally means higher potential returns over time, but more ups and downs along the way.

To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at [sorted.org.nz/tools/investor-profiler](https://sorted.org.nz/tools/investor-profiler)

Note that even the lowest category does not mean a risk-free investment, and there are other risks that are not captured by this rating.

This risk indicator is not a guarantee of a fund's future performance. As the Fund has not been in existence for 5 years, the risk indicator is based on the Fund's returns data for the period 1 March 2026 to 31 March 2026 and market index returns data for the period 1 April 2021 to 28 February 2026. While risk indicators are usually relatively stable, they do shift from time to time. The risk indicator will continue to be updated in future fund updates.

See the Product Disclosure Statement (**PDS**) for more information about the risks associated with investing in this Fund.

## Currency hedging

The following foreign currency exposure targets will apply to international assets:

- International equities – 50% hedged to New Zealand dollars. However, we may aim to add value by tactically adjusting the strategic hedging level on international shares above or below the benchmark of 50% depending on our view of how the New Zealand dollar will perform.
- International listed property – 100% hedged to New Zealand dollars.

The currency hedging is passive, meaning the investment manager of the underlying funds target the benchmark hedging level, although actual hedging may differ from this, due to cash flow and market movements.

Additional information about currency hedging is available in the 'SIPO' on the 'Scheme Register' at [disclose-register.companiesoffice.govt.nz](https://disclose-register.companiesoffice.govt.nz) (search for 'Garrison Bridge Superannuation Scheme').
